(a) whether it is a fact that the Regional Passport Offices at Bareilly and Lucknow are delaying the issuance of passports;

(b) what is the normal time taken for issuing passports and what are the reasons for the delay in the issuing of passports by these regional offices; and

(c) the number of passport applications pending since 1st January, 1985 in Lucknow and Bareilly Region and the reasons therefor?

(b) Normally it takes upto 4 months for issue of Passports in Lucknow and Bareilly Passport Offices. It is now essential to obtain security and identity reports from the police in respect of each Passport applicant before the Passport can be issued. Main reason for delay in issue of passports is late receipt of such reports from the police.

(c) The number of Passport arrears as on 1-8-85 in respect of Passport Office, Lucknow and Bareilly are given below:—

Lucknow—12,054

Bareilly—23,858

The reason for pendency is mainly attributable to non-receipt of Police clearance reports from State CID and District Police
